

Making Digital Inclusive: Blending the Local and the Global

December 13-16, 2020

Early Bird Registration Now Available!

In addition to featuring cutting-edge research, compelling keynote presentations, vibrant panel discussions, and unique opportunities to socialize with others virtually, ICIS 2020 offers more than 20 ancillary meetings and events.

The discounted Early Bird registration fee ends November 16. Make sure to register early!

- \$175 USD for Academic members
- \$100 USD for Doctoral Student members
- \$500 USD for Professional members

In addition to the exciting programming, many elements throughout the conference will pay homage to the flavorful culture of India in honor of the intended host country.

Registrations Grants Available to Doctoral Students

The ICIS 2020 India Grant Program is excited to provide financial support to doctoral students who would like to register and attend ICIS 2020. The conference, to be held virtually from December 13 to 16, offers opportunities for research presentations, panel discussions, and networking. Please complete the form below to be considered for a registration grant. The deadline to apply is November 2, 2020.

Unique Scheduling Model

The conference schedule will rotate timing each day to provide convenient session times for all three AIS Regions. Daily focus:

- Monday, December 14 - Region 3
- Tuesday, December 15 - Region 2
- Wednesday, December 16 - Region 1

While each day will be more suitable for one particular region, there are times throughout the schedule that are inclusive of other regions as well. Of course, all attendees are encouraged to attend sessions throughout all three days of the conference and a tentative schedule can be found at <https://icis2020.aisconferences.org/schedule-program/>.

More Coming Soon:

Check the [ICIS 2020 website](#) frequently to stay up-to-date on keynote and panel information. The ICIS committee is working to secure a legendary figure in the global IT community to serve as keynote presenter for Monday, December 14.

Honoring Members

AIS leadership is excited to continue the tradition of honoring leaders in the field of information systems. Throughout the conference, the most prestigious association awards will be presented to our deserving members.
